

Tuesday Evening DA-Progress Not Perfection Meeting Format

We welcome you to the **Progress, Not Perfection** Meeting of Debtors Anonymous. We hope you will find in this fellowship the help and friendship we have been privileged to enjoy. My name is _____, a compulsive debtor, and I will be your secretary tonight.

May we have a moment of silence followed by the **Serenity Prayer**? God, grant me the serenity to accept the things I cannot change, the courage to change the things I can, and the wisdom to know the difference.

Preamble

Debtors Anonymous offers hope for people whose use of unsecured debt causes problems and suffering. We come to learn that compulsive debting is a spiritual problem with a spiritual solution, and we find relief by working the D.A. recovery program based on the Twelve-Step principles. The only requirement for membership is a desire to stop incurring unsecured debt. Even if members are not in debt, they are welcome in D.A. Our Fellowship is supported solely through contributions made by members; there are no dues or fees. Debtors Anonymous is not affiliated with any financial, legal, political, or religious entities, and we avoid controversy by not discussing outside issues. By sharing our experience, strength, and hope, and by carrying the message to those who still suffer, we find joy, clarity, and serenity as we recover together.

DA has no dues or fees. We are self-supporting through our own contributions. I will pass a container during the meeting. Please give as generously as you can. If you cannot contribute, please keep coming back. Our group's monthly expenses include rent, prudent reserve, post office box, liability insurance, and contributions for our Intergroup Service Rep to attend the world Service Conference every year. To prosperously meet these expenses and goals, we must collect at least \$XX per week. If we do not collect the minimal amount needed on the first pass, the container will be circulated again.

Open Sharing Time

Before I open the meeting for sharing, I'd like to mention that there might be many people who wish to speak tonight. We ask that you limit your sharing to three minutes. The timer will be set for two minutes, then again for one minute.

The opinions expressed here today are strictly those of the individuals who gave them. The things you have heard are spoken in confidence and should be treated as confidential. We do not take outside the meeting what we hear and who we see at the meeting. If you'll try to absorb what you have heard, you are bound to gain a better understanding of the way to handle your problems.

Will all who wish to please stand, join hands, and join me in the Closing Reading.
